

MedLIFE | 09–11 DEC. 2026
NAPLES, ITALY
MEDITERRANEAN LIFE SCIENCES UNION
ANNUAL MEETING

Proceedings in ASTI Series (Scopus)

Dear colleague,

The **Mediterranean Life Sciences Union** organizes the **3rd MedLIFE** at the Centro Congressi Federico II of the **University of Naples Federico II** (Italy) in collaboration with other universities in the Mediterranean region and several publishing partners.

The proceedings will be published in the Springer/IEREK **ASTI Book Series** (indexed in Scopus and SCImago) and extended papers will be published in **Special Issues** of journals (indexed in Scopus and Web of Science).

Visit our website (www.med-life.org) to learn more about the event.

On this occasion, we are pleased to invite you to take part in the conference (in-person or virtually) and share/discuss your latest research findings.

“ **Submission deadline**
31 July 2026 ”

MedLIFE-26 Keypoints:

- The MedLIFE Annual Meeting is one of the largest international life science meetings in the region.
- The MedLIFE Annual Meeting aims to provide a forum where life scientists, especially early career researchers, can present and discuss their findings with experts in all fields of life science.
- The MedLIFE-26 will take place on **09–11 December 2026** in Naples, Italy.
- It will go ahead **in person** but there will be a possibility to present **online**.
- It will feature talks and panels covering a diverse range of life science and life science-society topics.
- Abstract submissions (max. 350 words) will be accepted until **31 October 2026**. Please read the **Guidelines**.
- The MedLIFE-26 encourages submissions of research works from all regions of the world.
- Read about our MedLIFE-26 **Publication Plan**.
- Discover the **Related Events**.
- Contact us, if you need more information: contact@med-life.org

We invite you to come to Naples and participate in an exciting conference in a stimulating environment!
